    class InputStream
    class MjpegInputStream["android.app.printerapp.devices.camera.MjpegInputStream"]
    MjpegInputStream --|> InputStream
```

The diagram illustrates a class inheritance relationship. At the top, a white box with a thin black border contains the text "InputStream". Below it, a gray box with a thick black border contains the text "android.app.printerapp.devices.camera.MjpegInputStream". A solid blue arrow points vertically from the top center of the gray box to the bottom center of the white box, indicating that MjpegInputStream inherits from InputStream.
