

OnDragListener

```
graph BT; A["android.app.printerapp.devices.DevicesDragListener"] --> B["OnDragListener"]
```

A UML class diagram illustrating inheritance. At the bottom is a gray-shaded box labeled "android.app.printerapp.devices.DevicesDragListener". A blue arrow points vertically upwards from this box to a white box at the top labeled "OnDragListener".

android.app.printerapp.devices.
DevicesDragListener
